

PURPOSE: To provide a way for each child to collect and save money for the *Hearts for Haiti* project.

Label instructions:

Cut out the Hearts for Haiti label and wrap it around a large, clean soup can, 1 pound coffee tin, or other unbreakable container.

Be sure the can has a lid or make one out of tin foil or other suitable material. Cut the label to overlap and tape the ends together. Be sure to tape the label to the container in two places so it won't slide around.

Acts 4:32-35 Matthew 25:40
